

Memory Lane Walk

Langdon Living Landscape invites you to join them in a gentle stroll down 'Memory Lane'.

Saturday 2nd November 1.30 to 3.30 pm

Lee Chapel Lane and Green Lane, Langdon Hills

During the walk you will be able to watch a demonstration of hedge-laying. An expert in this traditional country craft will be on hand to teach a group of volunteers how to create a stock-proof and wildlife friendly hedge along a section of the Green Lane that once ran from St Nicholas Church to One Tree Hill.

Visit the site of the former Lee Chapel Farm on Primrose Hill and walk around the farm pond that still remains there. Although rather overgrown and in a need of a little care and attention, this beautiful large pond is one of a number of ponds in the area that will undergo revitalisation work during the winter months.

Learn a little about the history of the area and the aims of 'Langdon Living Landscape'. Information and maps will be supplied on the day.

Meet at the Essex Wildlife Trust car-park in Lee Chapel Lane (From Victoria Ave turn left and follow the Lane until you reach the metal farm gate, the car-park is on the left) for Sat-Nav use [SS16 5PW](#) Warm clothes and stout shoes are recommended.
